Introducing the stylish and refreshing 12-litre slush machine!

The Combisteel slush machine is perfect for any occasion, whether you're running a busy café, catering an event, or offering a refreshing addition to your menu. Despite its generous 12-litre capacity, the machine is compact and easy to operate, allowing you to create delicious frozen drinks with ease. Plus, it stands out with its sleek, modern design. Dimensions are 290x570x945 mm (LxDxH) - power consumption 0.53 kW - weight 29.5 kg.

Key features:

- **Sufficient capacity:** 12-litre tank for making plenty of slush servings.
- **Efficient cooling:** advanced cooling technology for consistent and quick freezing.
- **Stylish design:** compact and attractive, fits in any setting.
- **Transparent tanks:** showcase vibrant and enticing slush flavors.

Whether you're hosting a summer party, expanding your café, or catering an event, this slush machine is sure to be a hit. Order now and serve the ultimate refreshment!
